

Sync with Brite at Dreamforce 2025 ✨

An exclusive day of collaboration, innovation, and connection for leaders shaping the future of public sector services. This isn't just another day in San Francisco—it's a chance to explore how intelligent, AI-powered solutions are transforming the way agencies work.

We're excited to be part of Dreamforce with Carahsoft—joining peers, experts, and innovators to share insights and shape the future together.

Brite is honored to sponsor the Dreamforce SLG Breakfast and Carahsoft Public Sector Networking Reception – two exclusive events that connect people, purpose, and technology to drive change.

A Day of Insight, An Evening of Collaboration

Dreamforce SLG Breakfast

Start the day with engaging conversations over breakfast. Connect with public sector leaders, exchange ideas, and discover innovative approaches that are redefining workflows and service delivery.

📅 **Date:** Tuesday, October 14, 2025

🕒 **Time:** 9:00 AM – 12:00 PM

📍 **Location:** Chotto Matte, San Francisco, CA

Carahsoft Public Sector Networking Reception

An evening of collaboration & connection. Engage with peers & experts, explore AI-powered workflows in action & discuss how technology is driving faster, smarter & more connected public services.

📅 **Date:** Tuesday, October 14, 2025

🕒 **Time:** 6:00 PM – 10:00 PM

📍 **Location:** The Hibernia, San Francisco, CA

Recognized. Proven. Impactful.

Brite was recognized as one of the Top **Global Salesforce Strategic Partner** at Dreamforce – an honor that underscores our expertise and commitment to driving meaningful transformation.

See Agentforce in Action

Turn static workflows into intelligent, AI-driven processes with Agentforce. Backed by 20+ years of expertise and trusted by 19+ states, Brite helps public sector agencies drive adoption, innovation, and growth—while simplifying operations with scalable, intelligent agents.

Reimagining Aging Services

Experience a purpose-built, cloud-based solution that streamlines workflows, reduces administrative work, and ensures compliance with HCBS, ARPA, and MI Choice. From Adult Protective Services to AAA/ADRC, Ombudsman, and Guardianship—manage it all through one unified platform.

Smarter Engagement with Marketing Cloud

Discover how Salesforce Marketing Cloud streamlines communication, strengthens outreach, and delivers secure, data-driven engagement—empowering agencies to build stronger connections and achieve mission success.

Transforming Child Care Services

Empower agencies with innovative, technology-driven solutions that streamline program management, compliance, and resource allocation. By simplifying operations, agencies focus on what truly matters—creating safe, nurturing, and enriching environments where children can grow, learn, and thrive.

Simplifying Grants Management

Streamline the entire grants lifecycle—from application to award, management, and reporting. Our solutions help agencies maximize program impact by ensuring funds are allocated efficiently and outcomes are tracked with accuracy and transparency.

Empower Human Services with Enlite

Enlite combines data analytics, risk management, and care coordination to deliver timely support and ensure service continuity. Built on Salesforce Nonprofit Cloud, it provides modular solutions for child care, aging, and Adult Protective Services—bringing clarity and confidence to every stage of care.

Listen to Polk County Success Story Straight From Our Experts!

Brite modernize its healthcare operations, moving from outdated FAMCare systems to Salesforce Health Cloud—a transformation designed to put people, not processes, at the center of care.

Through seamless data migration, integrations with key systems like ZenDesk, LexisNexis, Meritain, Citizen RX, and LabCorp, and the launch of self-service portals for clients, providers, and community partners, Polk County gained a smarter, more connected way to deliver healthcare.

Real-time dashboards and transparent reporting now empower leaders to track outcomes, streamline case management, and strengthen collaboration. The result? A future-ready healthcare system that improves care delivery while building trust across the community.

Modernize. Automate. Transform. Deliver.

Why BRITE?

Brite is leading the shift from outdated legacy systems to smart, AI-powered workflow.

BRITE helps the public sector accelerate digital transformation with secure, cloud-first solutions that simplify operations and create measurable impact.

As a trusted Salesforce Summit Partner with Government Cloud expertise, we replace outdated systems, integrate platforms seamlessly, and empower agencies with future-ready technology

It’s the BRITE Time to Give Back

At Brite Systems, we believe in building more than technology—we believe in building communities. Our culture of giving back is powered by our people and our partners, and we’re honored to support causes that matter.

Join us in the evening dedicated to building connections, sharing insights, and engaging with leaders across the public sector communit.

Cloud-First Modernization

Replace decades-old legacy systems with secure, configurable platforms.

Seamless Integration

Connect systems with Salesforce and MuleSoft for unified data and workflows.

AI & Automation

Reduce manual work, improve compliance, and accelerate service delivery with Salesforce and our AI Center of Excellence (CoE).

Proven Track Record

20+ years of leadership, 100+ successful solutions, and 19+ states modernized.

Measurable Impact

Supporting 10,000+ users with smarter, connected public services.

Change Boldly with Brite — Let’s Connect

Together, let’s unlock smarter ways to serve communities, drive transformation, and shape the future of digital services.
